On selected evenings during the “Festival of Specials” validity period we will have BLANKET AND BEANIE (we lend you the blanket and beanie) evenings around the bonfire.

Some evenings, to get you warmed up and your taste buds going before the actual feast in the Tudor Room, we'll serve one of our famous country soups with home baked bread from the fireside and sometimes we'll end the evening around the fire with warm Gluhwein or Port.

Kids are always welcome and our Marshmallow or Stick Bread Braai's have become extremely popular.

After dinner, on selected evenings, we show live recordings of popular bands, musicians and comedians on the veranda big screen. This extremely popular and relaxing activity can be enjoyed from the comfort of the veranda lounge or while sitting next to the bonfire – can you imagine the atmosphere!!

THRILLS AND/OR PAMPERS

With the more than 16 sport, recreation, outdoor and adventure activities on site, you, and most importantly your children, are guaranteed never to be bored. At a 22% discounted rate for hotel residents, adventure junkies can enjoy the thrill and adrenalin rush of the spectacular MAGALIESBERG CANOPY TOUR. Adults and young people over 16 can opt for a heavenly pamper session at the award winning SPARKLING HEALTH SPA as opposed to the adrenalin

rush of an adventure activity. The ideal is to do both – first experience the rush and then the relaxation.

FAMILY FUN

Over and above the on site facilities our OUTDOOR ACTIVITIES DEPARTMENT will keep the whole family entertained with holiday and weekend programs that are designed to make your stay even more memorable.

CHILDREN'S DINING

To add to the children's enjoyment, and when numbers allow, we serve a separate buffet for the young ones on the covered veranda, complete with big screen movies and pop corn.
